

**THE CODE OF ENGAGEMENT FOR INDIVIDUAL AND CORPORATE BODIES  
ENGAGING TAJUDEEN SULAYMAN;**

Dear Prospect,

Thanking you for your interest in engaging Tajudeen Sulayman

**ABOUT TAJUDEEN SULAYMAN**

Tajudeen Sulayman has made names for himself as the head of the Sultaj Group Incor. He leads the fight against poverty and unemployment by initiating training in the business of agriculture, vocational skill acquisition and ICT to radically generate jobs for teeming Nigeria youths.

He is an ‘expert’s expert’ and one of the top guys agricultural professionals listen to whenever he talks agriculture.

He is one of the most successful CEO of our time, providing tools and services to uplifting agricultural online marketers through his platform – Agricxpress.com where insightful commentary on the state of agriculture reportage and marketing is showcasing.

He intentionally created time to focus on creating write-ups of various topics on agricultural businesses, vocational skills and information technology through his online portal at [www.tomsulayman.com](http://www.tomsulayman.com), [www.tomsulayman.com/forum](http://www.tomsulayman.com/forum) and [www.tomsulayman.com/tv](http://www.tomsulayman.com/tv)

A book publisher turned best-selling Author on the topics relating to wealth creation, management and wealth preservation. He demonstrates these in a very simple, self-tutored and informative ways through his information products like Videos, Audios and

physical/ebooks on how to setup tested business using readily available and affordable techniques to get your business lifted. If you have time to follow one expert, Sulayman is your top pick.

There aren't many bestselling books on online agriculture marketing and practicability in Nigeria but Sulayman has written three of them. His experience as an apostle of wealth creation led him to publishing on '**Wealth Secret on Banana Plantain Farming and Bundle of Talents**' The two titles are best-selling.

Sulayman's profile says it best, but to be briefed, he is the founder of SEDEC (Sultaj Entrepreneurial Development Center). The site he has built to promote agriculture entrepreneurs in Nigeria. This covers everything about people that may want to get training in the business of agriculture, vocational and ICT.

His information products like videos, audios, books and other materials can be gotten at his online store at [www.sultajbookstore.com](http://www.sultajbookstore.com). He can also be contacted by visiting any of his websites at;
